welcome home to your new gorgeously meticulous cul de sac upgraded home. Built on a raised slab with so many features you can only feel the charm as you open the door and find all the specialties in here. First you will discover the most amazing chandelier sparkling at you as you first enter, at the top of the stairs you will find there is no wasted space in this home. But you have to come and see for yourself. The bedrooms are all perfectly set for your family to fill. The large room where collectibles were kept safe will be ready for however you please to utilize this large space bedroom/office/rec room. Out back you will find yourself in a private wooded oasis. The neighborhood is tucked away but a stone's throw from major highways into Charleston & the beautiful beaches of the lowcountry
