This is a great open floor plan.

It has a living/dining combo, an eat-in kitchen with a walk-in pantry, and cabinets galore!

This kitchen overlooks a family room that has a fireplace. There is a bedroom downstairs with a full bath across the hall.

Upstairs are 4 more bedrooms and two full baths. The master bedroom is gigantic with a gigantic walk-in closet. Off the kitchen is a screened-in porch that overlooks a pond.

Weatherstone boasts of a play park, swimming pool, and sidewalks.

The best part is that Weatherstone is a mile from I-26, shopping and dining!
