

1102 Maplecrest Drive Moncks Corner, SC 29461

Welcome to this stunning, totally renovated home in desirable Stony Landing with NO HOA. You will not be disappointed. The seller has taken great pride in making this a beautiful home with an open floor plan designed for entertaining. Front door opens to a wide foyer, a large family room with gas fireplace followed by French doors that lead to a covered porch with a huge private deck. The kitchen boasts an amazing "new" eat-in-kitchen complete with new cabinets, quartz counter tops and two islands complimented with new KitchenAid stainless steel appliances and a coffee bar! To complete the 1st floor is a powder room, private office/formal dining room, huge master suite with trayed ceilings and his and her walk-in closets. The master bath is unique with triple size walk in shower with 7 shower heads with 5 controls, dual vanities, separate water closet and a urinal! 2nd floor offers 2 large bedrooms, both with multiple closets/storage areas and hall bath. Additionally, there is a bonus room: 544 Sq. Ft. room over the garage with separate entrance, walk in closet, full bath. Newly added Plantation Shutters throughout! In 2019: NEW roof, deck/porch, flooring, carpet, interior painting with many upgrades. 3 car garage, driveway has added concrete to park multiple cars, large lot sits on a lagoon....don't miss this one!
