1123 Ole Oak Dr

The Peninsula ~ Charleston

MLS# 1110830 ~ \$149,000

One owner, immaculate one story home with an open floor plan and in a quiet neighborhood. Extra large Master Bedroom - room for exercise equipment or an office. Large hardwood foyer leads into the Great Room. A covered back porch area is great for grilling and enjoying the outdoors. Open kitchen has a large, bright dining area overlooking the large, partially fenced back yard. Kitchen features a breakfast bar for alternate eating. The laundry room leads to a double car garage with opener. One bedroom features a Bay Window - perfect for an office. Great location as the home is across the street from a community play park with beautiful hundred year old Live Oak trees. The amenity center has a large swimming pool and play area. This is the popular Beaufort plan.
