LOCATION! LOCATION! LOCATION!

Beautiful low maintenance vinyl sided home with welcoming front porch. Smooth ceilings through out this open, spacious home. The eat in Kitchen has been updated with granite counter tops and stainless steel appliances. The kitchen flows into the den that features a brick fireplace. Sit on your screen porch or deck that over looks quiet backyard overlooking the mature oak trees. The laundry room has plenty of storage and leads to a Bonus room located over the garage that would be a good office/playroom. A large dining room is located just off the foyer (the current owners use this space for an office). Down the hall to the left is the spacious master bedroom with walk in closet and updated master bath. The master bathroom has a sliding pocket door for maximum use of the space that features a walk in shower. The hall bath has nice tile floors and new vanity. Two additional bedrooms are located at the other end of the hall from the master bedroom. You don't want to miss this home close to beaches, shopping and restaurants!
