

# 3 Lots for the Price of One

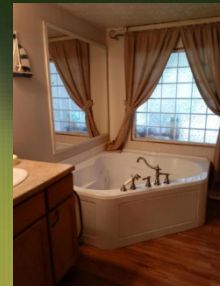

## 1134 Wilhite Drive

Caromi Village | Ladson, SC 29456

MLS# 18024062 | \$160,000

1996 Double wide mobile home with 3 lots. Owners have replaced the shingle roof and updated the AC within the past 3 years. They also added a screen porch. Home sits on one lot, empty lot then the last lot has a wood utility building with upstairs that is unfinished that could become an apartment. Great investment property!
