| • 2br/1ba, 1000 sq ft | • Charming Bungalow | • New Roof, Plumbing, Electric |
| • Expertly Renovated | • Park Circle | • Large Lot |

~Delicia Deen, The Marshall Walker Group~

This beauty will be hitting the market in a few weeks, so please excuse the non-professional photos. I wanted you to see this immediately because it will not be around for long. Taken down to the studs, this property was expertly renovated and has new plumbing, electric, tankless hot water heater and Hardiplank exterior. The kitchen has butcher block countertops, subway tile and gas stove. The hardscape will be in next week and the property is easy to show.
