Cane Bay Showstopper! This reimagined Jasper floor plan is a masterpiece of Southern charm and modern design, boasting an array of luxurious features and thoughtful details. The heart of the home is an entertainer's paradise—an impressive two story great room. This space is designed for both relaxation and celebration, featuring a pool table, a Bluetooth dartboard, and custom woodworking that extends all the way to the ceiling. Adjacent to the great room is the designer kitchen—a true culinary delight. It boasts rustic farmhouse lights, accent walls, and a built-in kegerator, complemented by a suite of stainless steel appliances. The kitchen includes a butler's pantry with floor-to-ceiling cabinets, a dry bar, and a built-in desk area.
