This light-filled, spacious, and very welcoming end-unit condo has great detail, it is in a secured-entry building, and it is ideally located within walking distance of all of the shopping, restaurants, and attractions of Daniel Island's town. Terrific floorplan with kitchen overlooking the living/dining area and access to the terrace; 3 bedrooms with the Master suite on 1 side and the 2 additional bedrooms on the other. Among the great features are: hardwood floors in the foyer, living/dining area, hall, & kitchen; granite counters & stainless appliances; built in bookcases in 2nd bedroom; custom shelving in the Master closet, dry bar, crown molding, ceiling fans, and plantation shutters. In a gated-entry building, with underground parking, storage, and pool. Condo living at its best!
