Hidden Lakes

Don't miss the opportunity to enjoy water views in a private neighborhood in the heart of Mount Pleasant! Thoughtfully updated and well maintained, this 5 bedroom home has its own dock and kayak launch on a quiet canal that leads to the 50 acre neighborhood lake. This brick home has both a screened porch and an open deck for enjoying all seasons outside, with a partially fenced yard for kids and pets to play. The kitchen, which overlooks the water, has been updated with bright white cabinets, granite tops with a tile backsplash and SS appliances. The master suite upstairs has 2 walk-in closets and the master bath has been renovated to include an enormous shower and 2 vanities with vessel sinks. Every room features plantation shutters. In addition to the lake, the Hidden Lakes community offers tennis courts, a clubhouse and a neighborhood pool. All this within minutes of shops, restaurants, I 526 and downtown Charleston. Best of all worlds!
