

## 13 Apollo Rd ~ Carolina Terrace ~ Charleston

### MLS# 1216491 ~ Reduced to \$299,750

This is a nicely renovated home on an extra large corner lot in a great location, within walking distance to all the Avondale shops and restaurants, and minutes to downtown Charleston. There are wood floors throughout the home and tile floors in the baths and kitchen. This home

has 9 ft. smooth ceilings and there is crown molding in just about every room. The inside has been freshly painted with custom colors. The interior and exterior doors all have new oil rubbed bronze hardware to give it a richer look. The large great

room has beadboard wainscoting, along with the hall and part of the kitchen. The front den has chair rail and another lr/br has a nice wainscoting detail. This home really has a lot of nice trim, not

normally seen in this price range. The kitchen has granite countertops and stainless appliances. The master bedroom in this home is huge with double closets. The master bath has a new tiled shower, linen closet, tile floors, beadboard wainscoting, and a whirlpool tub. The other full bath also has

beadboard wainscoting, tile floor, tile shower surround, and a vanity with a granite countertop. The half bath has a pedestal sink and beadboard

wainscoting. The exterior of the home has low maintenance cement board siding, an architectural shingled roof, vinyl clad windows, and new Bahama shutters to add to the curb appeal. There is a front porch and a side deck for your outdoor enjoyment. Listing agent

has an ownership position in property.
