

Hidden Gem In West Ashley

1412 S Edgewater Drive

Edgewater Park ~ Charleston, SC 29407 ~ MLS# 19016017 ~ \$820,000

Commonly described as West Ashley's hidden gem, Edgewater Park is a highly desirable community that's tucked away from the hustle and bustle with a private boat ramp and access to the Stono River.

Situated on a large corner lot, this custom elevated home has an elevator granting access to all three levels. You'll be welcomed by the two story foyer with a partial view of the Stono River, gorgeous hardwood floors and high ceilings. There is a gas fireplace surrounded by built-ins in the living room, columns, wainscoting and a tray ceiling in the dining room. This home has an incredible eat-in kitchen with ample seating at the breakfast bar, a center island, stainless steel appliances and beautiful cabinetry.

With two master suites, the first level suite features a tray ceiling, in-suite bath with dual vanities, walk-in shower and two walk-in closets. There is a second master suite upstairs and 2 large bedrooms and full baths. The upstairs was designed with a very functional layout so that rooms can be used as office space, library or an entertainment room. The large cab elevator stops on each level of the property. The spacious garage with an easy drive-through access is ideal for a boat or a trailer, and is capable of accommodating five vehicles. With ample space, there is a room to convert part of the space into a workout room or workshop. There is a half bath located in the garage that is convenient for outdoor parties or when working in the yard.

Many other special features come with this Lowcountry home! Please see the list under the Supplement in MLS or contact us for your additional information!
