145 Fall Creek Blvd. | Summerville

Need a large yard and lots of room between your neighbors? Need a home with two master suites--both located on the ground floor? Well, you've found it in Hidden Hills! The Cypress is perfect for entertaining and offers an open concept first-floor with the kitchen adjacent to the dining room. There's plenty of room for your furniture in the large family room too. The additional two bedrooms, full bath and loft are on the second level. This would be a great place to call home!
