Old Mt Pleasant ~ Mount Pleasant ~ MLS# 17008709 ~ \$595,000

If you've seen this home before, please come see it again with real stairs to the second floor!

These homeowners have done substantial work to the home, adding a staircase, lighting, and paint. Home has been well cared for by the owners and has 3 downstairs bedrooms with a hall bathroom, and an additional office and master suite upstairs. Home is close to all Old Mt. Pleasant has to offer, including restaurants, Sullivan's Island beach, Farmer's Market, and schools. Hardwoods in much of the downstairs with granite countertops and new kitchen faucet/sink in the kitchen. Three outbuildings on the property have power, and 2 have heating and air. The larger of those outbuildings would be perfect for a studio office, music room, or workshop. Details of all the improvements are listed in the seller disclosure.
