

Why Build When You Can Live The Dream Now

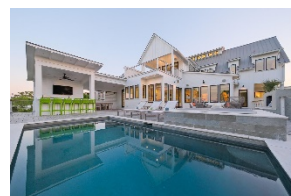

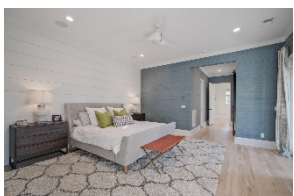

1538 Wando View Street

Daniel Island | Charleston, SC 29492 | MLS# 21011392 | \$5,995,000

Spectacular 5500 sq ft custom Shelter built and Damien Busillo designed coastal chic home on the Wando. Private deep water dock. This elevated masterpiece boasts a master suite on the main floor and 4 beds, all en-suite on the second floor. Private office, Flex Space, 2 laundry facilities, mega mudroom, media room and elevator make this the perfect oasis. There is a view from every room with 280 degree unobstructed views of the water and marsh. This home has a raised elevation heated Gunite pool/spa, expansive multi-level decking, outdoor gas fireplace and storage galore. On the lowest level enjoy a multi-car garage and temperature controlled space for gym or playroom. Do not miss the private white sand beach and huge yard. This won't last!
