In one of the most sought-after neighborhoods in Mt. Pleasant, just minutes from the beach, this beautiful home has amazing views of the marsh, Ben Sawyer drawbridge, and Sullivan's Island beyond. Enjoy the breeze from the pool deck over the saltwater infinity pool, or take the 4-stop mahogany paneled glass elevator up to any level, or the roof deck for a more expansive 360 degree view. The naturally well-lit interior with storm-rated double-paned windows has an open floor plan, with almost every room maximizing the view. The gourmet kitchen is well appointed with custom cabinets, granite counters, Viking range, Sub-Zero fridge, and amazing woodwork. Just 15 minutes to downtown Charleston, and 5 minutes from Sullivan's (or a 15 minute bike ride), this home is a must see for anyone looking to live the quintessential Lowcountry lifestyle.
