Beautiful first floor end unit at The Battery at Park West. This unit is the definition of move in ready with new carpet and fresh paint. It also features solid kitchen countertops, stainless kitchen appliances, including the refrigerator and maple cabinets. With 2 bedroom, 2 full baths, a large living area as well as a separate dining room, this is the most popular floor plan in The Battery! In addition, it backs up to the walking path and very close to the pool, but the back is also private. Definitely a must see!

- 2 bedrooms
