## Review From Interesting Homes of Charleston with Henry Robinson

Top James Island Ranch Houses Under \$1M  
I'd have to say it: 1710 McHenry Ave is the clear winner. Why? Glad you asked.  
Reasons 1710 McHenry Ave Takes the Top Spot:  
-A layout that actually feels livable.  
-A 600 sq ft primary suite with a fireplace that does all the cozy heavy lifting.  
-A modern 390 sq ft backyard shed with electricity + AC—perfect for an office, studio, or strategic hideout. And honestly? The list keeps going.
