Charming is the most appropriate definition of this Circa 1905 Sullivan's Island home! Built by the Army for Junior Officers Quarters to protect and service Fort Moultrie. This 3 BD/3BA home features, large plank heart pine floors, vintage doors and mouldings, and a picturesque setting. The landscaping and exterior brick pavers are exquisite--A Gardners Delight! Large Porches with calming onshore ocean breezes. A cistern from bygone years has been used as additional storage. A great opportunity to own a unique Sullivan's Island home with character and lots of charm.
