Enjoy the huge open floor concept in this beautiful home. Large base moldings and crown throughout gives this home the Charleston charm. As you enter you are greeted into the foyer and the extra large living room, dining room, and study. The large eat in kitchen is a plus which looks out to a great sized backyard great for the family dog. The master bedroom is very large, with a beautiful tiled bathroom with walk in tiled shower and large jetted tub. The master closet is HUGE. The bonus feature of this home is the amount of storage in the walk up attic that can be converted into a bedroom, playroom, or movie theater.
