DESCRIPTION & DETAILS

Welcome to 1880 Cherokee Rose Circle; a grand home on an estate sized lot. The sellers of this home completed a major renovation and addition in 2009 resulting in a beautiful kitchen with custom cabinetry, granite counter tops and a large oversized island, and also a large vaulted family room. This home also has a formal living and dining room. The sun room overlooks the lovely, large backyard and leads to a finished room over the garage. This FROG is a perfect retreat as it is very private! It is tastefully finished and has a full bath. The downstairs master has an adjoining bathroom with a whirlpool tub, a linen tower and dual vanities. Upstairs is another wonderful seating area and 4 more bedrooms.
