Wagener Terrace ~ Charleston, SC 29403 ~ MLS# 21028855 ~ \$899,000

Rare opportunity in Wagener Terrace to enjoy downtown living on a quiet street in a great location. You will appreciate the high ceilings, bright open floorplan and beautiful hardwood floors throughout. The 4 bed/2 bath home is completely renovated in a manner that still reflects Charleston style and character. New lighting, granite counter tops, stainless appliances, and much more. A large gathering room with a fireplace, kitchen/dining area and 3 bedrooms are located on the main floor. One bed has a separate entrance and could be an office, studio or playroom depending on need. Upstairs you will find the master, a luxury bath and additional closet space in eaves. A nice deck and fenced backyard complete the home. Walk/bike to parks, great restaurants, MUSC or a Riverdogs game.
