Impeccable condition! This 1 story home is full of upgrades! From the inviting front porch accented with a stone front to the rear screen porch and patio with a private buffer of trees--this home shows beautifully. The 4 bedrooms plus office and 3 full baths, laundry, pantry and separate dining room are great features of this wide opened plan with 9' and 11' ceilings. The arched doorways, durable laminate hardwoods, French doors and the gourmet kitchen with 42" cabinets w/some glass fronts, and large island plus beautiful appliances make this home show like a new home. The master is over-sized with tray ceiling and desirable views and a huge closet. You'll find granite counters throughout this home, custom lighting and professional landscaping with a 6' privacy fence. Enjoy the community pool and all that Tanner Plantation offers.
