

Every Detail ...

Relax knowing your stylish new house just needs your personal touches to make it home! High-end finishes, New Whirlpool refrigerator and hand-scraped bamboo floors are just the start. Natural Light floods this home. Open Floor Plan living & dining with a cozy wood burning fireplace invites your guests to eat, drink and spend some quality time together.

A generous eat-in kitchen is around the corner, allowing the cook to enjoy the gathering without cleaning up! Vaulted ceilings in the staircase lead to four spacious bedrooms upstairs. Each bedroom has new ceiling fans and ample closet space. Check out the luxurious bathrooms! High-end granite and beautiful tile make the mornings a bit nicer. The master bathroom has a generous soaker tub for relaxing with a few candles.

Fantastic neighborhood amenities available, including pool and tennis court. Just minutes to Boeing, shopping and only 20 minutes to downtown. Another quality renovation by Fiddler Cay Properties. "Making Old Homes New Again!"

Lovingly Renewed!
