Welcome to 2012 Wappoo Dr. located in the James Island Maybank Corridor Overlay district. A former residence that has been converted to a beauty salon in 1992. Great visibility. Plenty of parking in rear of building. Very clean. Hard wood floors through out. Large screened area in back of business could be additional work space. Great covered side porch. The location is ideal with close proximity to Downtown. Current owner has been in business since 1992. Ideally a perfect location for a small business. X Flood zone.
