

Golf Course Community

2020 Shell Ring Cir
Dunes West
Mt Pleasant, SC
MLS# 1315490
\$775,000

This is a Builder's personal residence and shows beautifully. This Brick home is behind the gates of Dunes West in this 18 hole golf coarse community. Custom designed with attention to detail. As you enter the Mahogany front door you will notice the beautiful heart of pine floors. To the left is an office or sitting area with built in bookshelves and exposed wooden beams. To the right of the entrance are French doors leading to an elegant formal dining room with dental crown molding and wainscoting. The kitchen is a chef's delight including granite counter tops with a designer back splash, double ovens and a warming drawer and upscale stainless appliances. The kitchen island has a separate vegetable sink and added storage. The wet bar off of the kitchen has a second dishwasher for large family gatherings or entertaining friends. There is a spacious dining area in the kitchen as well as an additional pantry with custom designed shelving for all of your dry goods. The focus of the great room is the wood burning fireplace with a beautiful mantle. Custom shelving surrounds the mantle. There is a picture window with views of the private wooded backyard and a door leading to the large back porch. Relax and enjoy the wild life at the end of the day. The master is downstairs and the master bath features double vanities and an extra large shower. The current owners chose not to add a tub, but it is plumbed to do so if your client desires. The large master closet has great custom shelving to keep you organized. There are 3 bedrooms and 2 full baths on the second floor with it's own den or game room. There is a bonus space on the 3rd floor that would make an excellent media room, exercise room, playroom or office. Amenities in Dunes West include optional golf membership, several pools, tennis courts, parks, jogging trails, dock and a boat ramp. Buyer is responsible for confirming square feet, HOA fees, school and any other information deemed important.
