Better than new construction, this house is a **MUST SEE** to appreciate! Formerly the model home for Crescent, you can no longer get as many upgrades and amazing additions for this low price. Come check out the **HUGE** bedrooms, each with its own large walk-in closet! Additional storage throughout the home as well. The garage is wired with cable and is ready for a man-cave or extra retreat for the homeowner, and is finished with extra attic space inside. The open floor-plan in the living room and kitchen is perfect for entertaining. Current owners spared no expense with the gorgeous extension of the island, beautiful wrought-iron railings, and more. All kitchen appliances convey. Dining table, master bedroom furniture, and curtains negotiable with acceptable offer. Come check out **TODAY!!**
