

BROKER OPEN HOUSE | THURSDAY 11:00-1:00

20 PERCY STREET, CHARLESTON, SC 29403

Don't miss an excellent opportunity to own a beautiful piece of historic Charleston charm with the conveniences of a complete renovation, including HVAC, electrical, the kitchen, baths and a rear addition. Enjoy the impressive walk-in master closet, as well new cabinetry in the dining room that house a fridge and ice maker. You can enjoy the historic charm of original hardwood floors and four fireplaces while appreciating the modern kitchen and baths. The main floor is bright and light-filled with a spacious dining room, modern kitchen and large living area with an abundance of windows overlooking the fenced-in backyard. The second-floor master bedroom is spacious and features an ensuite and two closets. All of this with two off street parking spaces and easy access to restaurants, shopping, MUSC and CofC.

Offered at \$850,000
