My Favorite things About MY OUTDOOR AREAS at 21 Faye Lane:

- Sitting on the front porch with a glass of ice tea or wine after a busy day and enjoying the calmness of the lake
- Having my morning coffee in the amazing shade of my back screened porch even on a warm summer day!
- Chatting with neighbors while sharing hors d'oeuvres and appreciating the cool breezes coming across the lake.
- Casually entertaining friends on the back patio on a chilly night in front of a great fire in our fabulous fireplace!
- The extremely low maintenance of my property.
- Plenty of parking for friends and family!
- Privacy and convenience!
