2210 Folly Rd

Water Front Point

Do you want to feel as if your life is a vacation, with gentle breezes and million-dollar views? This waterfront townhouse has it all! Beautiful scenes from all FOUR balconies, including the screened porch right off the open, airy living room. At your backdoor, a private dock with brand new boat lift. The dining room/library features large windows with captivating water views. The family room is large and features a back wall full of windows with magnificent water scenes, hardwood floors, built-in shelves, and media center. At the heart is a new, vented gas fireplace. The open floorplan kitchen is perfect for any cook and includes a large island. The Master Suite has its own private balcony, for watching sunrises or spotting dolphin in the deep water creek.

New boat lift, new elevator and low flood insurance.
