

Charming Home with Outdoor Retreat!

OPEN HOUSE Sat. 9/7 11-2pm - 224 Fiddleback Drive, Summerville

Listed at \$508,500

This well-designed house offers an abundance of desirable features. The approximately 1,941 square foot layout provides ample living space with three bedrooms and two bathrooms. The spacious exterior and inviting entryway welcome you into the home's charming architectural details. The open, flowing floor plan creates a comfortable and efficient design with natural lighting enhancing the airy ambiance throughout. The living areas showcase hardwood flooring, high-end appliances, and elegant lighting fixtures, culminating in an inviting dining space. The primary bedroom is generously proportioned, complemented by a spacious bathroom with elegant tile work. The backyard is fenced, providing ample green space and a covered patio with a brick fireplace for outdoor living and entertaining. The corner lot is private and gives extra outdoor space! This home combines form and function, offering the ideal setting for those seeking a comfortable and well-appointed living experience.
