

Custom Home with Sweeping Views of the Stono

\$715,000

4 Bedroom

3½ Bath

2,933 Sq Ft

2330 Rushland Landing Road

Rushland

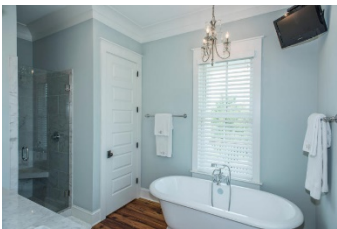

Johns Island, SC 29455

MLS# 15022671

Custom home, built to be the builders personal residence. This home features many upgrades including a metal roof, cement plank siding, top of the line impact resistant windows, and spray foam insulation throughout.

The interior features a custom built kitchen with marble counters and Thermador appliances. The interior also features antique heart pine floors, 10' ceilings downstairs and 9' upstairs. Upstairs has 3 bedrooms with jack and jill baths, a media room that could be converted to a 5th bedroom, and a nook that serves as a office.

The rear of the home boast a large porch, fenced yard and views of the pond. Under the home has a garage for 3 cars. In addition to the community club house, pool, and dock the homes on Gregorie Commons also have a private dock with access to the Stono River.
