Drayton On The Ashley | Charleston, SC 29414

MLS# 18001572 | \$500,000

This home is totally upgraded and updated in every way. 1,000 feet from the home is a boat ramp, boat dock and community open area with picnic and play park fronting directly on the Ashley River and less than 1 mile from the Shadowmoss Golf Course. Imagine sitting on your rear deck overlooking the Marsh and Ashley River, the privacy and view from the first or second floor rear deck can not be beat. The home has hardwood floors throughout the first floor, open kitchen with marble counters, stainless steel appliances (check out all the photos). The community has no required HOA fees but you can choose to use the pool for an annual fee of \$250 and \$150/yr dock fee (\$375/year for both) which are optional. This lot is very wide and has covered parking for 3 vehicles plus a large concrete driveway with room enough for your boat and additional vehicles.
