2401 Daniel Island Drive

Daniel Island, SC 29492 ~ MLS# 18026062 ~ \$1,050,000

In a single word, magnificent can be used to describe this home's location, layout and attention to detail. You can't get much closer than just across the street from the absolutely breathtaking Smythe Lake, the Pirate Park and walking distance to schools, 2 neighborhood pools and Daniel Island shops and dining. This two story home boasts a sun-drenched, open layout that features a first floor master suite, an inviting front porch, spacious, screened-in side porch and an amazing FROG that could serve as a mother-in-law suite with its own en-suite full bath. Gleaming hardwood floors, plantation shutters, crown molding, wainscoting, SS appliances, granite counters and beautiful tile work are among some of the high end finishes you'll find at your new home!

There is nothing left to do here except move in!

Additional features include:

- Kitchen has a center island, gas range, tile backsplash, built-in wine fridge and built-in desk/study nook in the hallway leading to the garage
- Master bath has a dual vanity, gorgeous walk-in shower, jacuzzi tub and walk-in closet
- 2nd level has a beautiful office area with built-ins
- 2 of the bedrooms (3 including the FROG) feature en-suite full baths
- Cozy loft area between the bedrooms and FROG makes a great additional living space or kids playroom
