This is not just a home it is a lifestyle. From the private ½ lot on a cul-de-sac, to the personal dock with a boatlift, to the in-ground pool overlooking the creek and marsh, this truly is a destination. This large home is has it all, inside and out. The refinished pine floors, the high ceilings, the large windows overlooking the views of the water, all make this house one of a kind. Outside you have a large in-ground pool that is just steps away from a personal dock where you can leave your boat. You can be boating, paddle boarding, kayaking, or swimming within minutes of walking out your back door. Sit on the front wraparound porch or the back screen porch and enjoy the views from sunrise to sunset.
