2407 Captain John Hutt Road, Goat Island $549,000

4 Beds | 2 Baths | 2,106 Sq Ft

Unique opportunity to own a slice of paradise on Goat Island overlooking the Intracoastal Waterway. Enjoy outdoor living on the cozy screened porch or alfresco dining on the deck under the stars. Enjoy naps in the hammock under the lush, tropical foilage, fish and crab right off your own dock, or walk to one of SC's premier fishing creeks with tons of red fish and trout! Bird watch and dolphin watch while enjoying the sunset. The home has beautiful hardwood floors throughout the living areas and bedrooms with tiled baths. A thoughtful floor plan with 3 bedrooms is on the main floor, with the master suite upstairs. Vaulted ceilings in the central dining area and master bedroom make the home feel spacious and open. There are wonderful areas to entertain depending on the mood. Build a fire in the fire pit and roast smores after a day of exploring. This home comes beautifully furnished and turn key with acceptable offer.
