Furman Farm Place offers a gorgeous newly constructed home in an already well-established section of Daniel Island Park! Enjoy sipping coffee on a true Low Country wrapped porch. This custom floor plan has been meticulously drawn by an award-winning architect. Enter through the front double doors and find a private study and a beautiful naturally lit dining room that opens to the front porch. In addition, a guest retreat with full bath is located on the main level as well as a state of the art kitchen featuring Thermador appliances including a 48" Pro 6 Burner/Griddle Harmony Gas Range & a Built-in Refrigerator. The large island opens up to the breakfast area and spacious family room. Extend the living space outdoors by opening the double doors to the large screened porch. Upstairs find your well-appointed master suite with spa bath including walk-in shower and freestanding tub plus three additional secondary bedrooms, all with their own private bathroom (Five total Beds & Five and a Half Total Bathrooms). This home also offers 272 sq ft of unfinished space over the garage. This space can be finished at an additional price. There is still time to personalize this home with our design consultant. Brightwater Homes is an award-winning home builder who is passionate about great design, great craftsmanship and their power to create homes and neighborhoods that live well every day. From thoughtful neighborhoods to custom homes uniquely designed for individual homesites, the Brightwater team offers more than eighty years of combined architectural, design and building experience to deliver a truly one-of-a-kind home every time.
