

270 CONGRESS STREET

Hampton Park Terrace

3 BEDROOMS ♦ 1 1/2 BATHROOMS

PRICE: \$680,000

MLS #20023102

270 Congress Street is an original Sears, Roebuck & Company “kit home” that was built in 1920. The craftsman-style bungalow has beautiful Charleston elements that have been added over the years, including an original Philip Simmons wrought iron gate with decorative swords.

The home offers a formal dining room, updated kitchen, a formal living room and large family room addition. Three bedrooms upstairs include a large owner’s suite. The bathroom has been beautifully renovated with a marble vanity and walk-in shower. Unique to Charleston, the home has a large basement, which is perfect for a wine cellar, extra storage or a workshop space.
