

2903 Waterway Blvd Isle Of Palms, SC

This magnificent home was custom designed and built for entertaining with an open floor plan and has fantastic views overlooking two golf course holes, the marsh, and the Intracoastal Waterway! The home features Brazilian cherry floors, 9 foot ceiling downstairs with crown molding, double pane windows and doors wrapped in extensive trim-work, formal living room, and family room with built-in cabinetry, wood-burning fireplace w/gas insert, and French door access to the upper and lower porches. The separate dining room is located just off of the gourmet kitchen which has a wet bar, cherry cabinetry, and a full stainless steel appliance package. The bedrooms are upstairs including the master suite which takes full advantage of the incredible golf course and water views. The master also features a soaring, vaulted ceiling, upper rear porch access, a "step-up" office/sitting area, and a great master bath with jetted tub, ceramic tile floors, custom cabinetry, and an oversized, open, glassblock shower. Other features include a large garage with parking for 3 or more cars, mature landscaping, cement-plank siding, pantry/utility room, workshop area, outdoor covered patio for grilling and relaxing, apprx. 800 square feet of porches, and so many other details that you need to come and see for yourself! All custom, wood blinds convey. One block to dog park and community center, 4 blocks to beach!
