2 Laurens Street, 3A Downtown Living

Anson House

Elegant downtown living on the harbor with expansive views of the Ravenel Bridge and the new Gadsdenborough Park!

Live in luxury as the Anson House concierge greets and assists you and your guests. The elevator takes you directly into your residence where the charming, western views of the city bring in great light; the sunsets from the 3rd floor piazza are stunning.

Masonry fireplaces are featured in the den and the living room, and the chef's kitchen features Wolf and SubZero appliances and custom cabinetry. The generous master suite features a newly remodeled dressing room and access to the piazza. This residence also offers two secured and covered parking spaces. Come see what chic urban living is all about at Anson House!
