

3086 Penny Ln ~ MLS# 1211951

\$227,000

This precious house is in perfect condition and ready for a turnkey move. Enter the porch at the front of the house and to the right is a very open living room with fireplace. This room flows into the dining area to the large open kitchen. New granite countertops and backsplash are being installed in Feb. New sink and top of the line faucet has been installed. New energy efficient dishwasher and garbage disposal. The rooms have crown molding and smooth ceilings. There are hardwood floors through-out the downstairs and on the stairs leading upstairs. The screened porch on the back overlooks a large fenced backyard that is perfect for the kids play time. Upstairs is a large master bedroom with full bath. If you have little girls, the other bedrooms are all decorated to make the little ones very happy. Just move the beds in and you are ready to go. The house is immaculate and shows a great deal of attention to detail and pride of ownership. It is modern looking and has a wonderful feeling of home. The location is close to great restaurants and just a quick drive to all James Island and Johns Island has to offer. You won't be disappointed in this wonderful house. You will enjoy this new well-maintained neighborhood.
