HOW OUR GUEST FEEL...

"My wife and I lived at 3264 Beaconsfield Rd. for the past year. It was a great experience and really enjoyed our time there. I highly recommend Dominique Milton as a great landlord, who really takes care of her place."
J. Otte, Southeastern Accounts Manager. 2013

"I must say this is a wonderful rental home full of extras. The place was well equipped for all ages; we had a 2 month old and an 80 yr old staying with us. Also, the home is nestled in a resort like community with palm trees and all a person could ask for. The home is close enough to downtown Charleston to make it good location as well as the proximity to the beach, and other Mt. Pleasant sites. The owners were extremely helpful and accommodating to all of our requests. My whole family would highly recommend this rental. "*Yeats, P. 2012*

"Our stay at this home was perfect! The owner was very informative and helpful with all our questions prior to our arrival. The home was clean and well stocked with all necessities. The neighborhood was beautiful and quiet. The home was close to a Harris Teeter and only about 25 minutes from downtown Charleston. We would recommend this home to anyone. Thanks for a great time." *C. Petigrew 2012*

"..GREAT LOCATION, VERY CLEAN, AND THE OWNERS ARE VERY VERY NICE AND THEY TREATED US LIKE WE WERE THEIR FAMILY!!!!..." *T. Charles 2012*
