4 Bedrooms • 2.5 Bathrooms • 2,363 Sqft
Price: \$525,000 • MLS #24028105

3368 Forest Glen Dr. is located in the highly sought-after Village Green neighborhood. With 4 beds, 2.5 baths, & over 2,300 sqft of living space, its recent updates include new appliances, flooring, paint, & a backyard with a privacy fence. You will appreciate the thoughtful details throughout, such as the arched entryways & elegant staircase in the foyer. The home includes a large formal living room & a formal dining room that can also serve as an office. The spacious foyer leads into a family room prewired for surround sound & features a wood-burning fireplace. The kitchen features new SS appliances, granite countertops, a farmhouse sink, & an island with a walnut butcher block. Off the garage is a laundry room with a new W/D & a utility sink. Upstairs, the spacious owner's suite includes a bathroom with a garden tub, shower, water closet, & dual walk-in closets. Two additional beds & full bath are also upstairs. The room over the garage is huge & can be a 4th bedroom, media room, or playroom. Outside, the spacious fenced-in backyard backs up to a wooded area without neighbors behind the property. The large 2-car garage has a workshop area with cabinets & utility sink. The subdivision has amenities like a neighborhood pool, walking trails, & playpark. It's conveniently located near 526, downtown Charleston, the airport, shopping, restaurants & multiple beaches.
