

JUST LISTED
3379 Westphal
Johns Island, SC
Offered at \$1,335,000

The epitome of Johns Island living! Flanked by ancient grand oaks, this stunning home sits amidst one of the most beautiful settings on Bohicket Creek. A one-year total renovation of this home created unique, comfortable, custom-designed spaces. Soaring ceilings, warm brick walls, hand-hewn beams, distressed hardwood floors and industrial loft-style inspired touches throughout influenced the beautiful end result. Deep water access, a shared dock and pier head with floater is perfect for the boater or fisherman. The first level encompasses a great room with an 18-foot high glass wall, spacious master suite, open kitchen and dining room, half-bath, laundry room/office, a screened dining porch, and a second screened porch with fireplace. The second level hosts two guest rooms, two full baths and separate FROG/private getaway. The chef's kitchen was featured on Houzz.com as Kitchen of the Week. Beautiful landscaping, custom outdoor lighting, and two 2-car garages. This is a great alternative to Seabrook & Kiawah Islands. Buyer can also choose to join the Seabrook Island Club through separate membership. 4 Bedrooms, 4 1/2 Baths. Aprx. 3,406 sq ft.
