

Custom Designed Home with Open Floorplan & Free Energy Living!

3410 Acorn Drop Lane

The Villages In St Johns Woods ~ Johns Island
MLS# 17027449 ~ \$680,000

Stunning home situated adjacent to a pond site in the desirable neighborhood of The Villages in St Johns Woods! This gracious home is a LEED Certified Platinum home and boasts Free Energy Living. Custom designed by a professional design team using the highest quality building materials and systems available. Construction was done using a structural insulated panel system (SIPS) used in the building structures for all the main structures: the foundation floor, walls and roof. The result is this home operates at a substantial cost saving on the utility bills. Solar energy systems and indoor air quality filtration are integrated in this highly efficient home.

So many more details than can be mentioned here!
