Continuing in is the dining room, which is large enough for a table, buffet, and additional furniture. The dining room opens to the chef-inspired gourmet kitchen and living room with an open-concept feel. The kitchen is stunning with all GE stainless steel appliances, granite countertops, custom white 42" cabinets, breakfast bar, pantry, and eat-in area. A guest bedroom and full bath are also located on the first floor. Upstairs boasts the oversized primary bedroom suite with two walk-in closets and a relaxing beautiful ensuite bathroom featuring a tiled shower, water closet, and double sink vanity. There is a mother-in-law/teen suite bedroom with it's own private ensuite full bath. There are two additional nicely sized bedrooms that share a full bath making for 4 bedrooms, 3 full bathrooms upstairs and one bedroom and 1 full bath downstairs. Finally, there is a HUGE bonus room on the second level that presently holds a ping-pong table-it is large enough to be a media room or play area.

The backyard patio overlooks a fenced backyard and has mature trees providing shade for afternoon BBQ's or entertaining. Tupelo is a wonderfully landscaped neighborhood that offers an amazing pool, gazebos, grills, playground and walking trails. Located a short drive to the schools, beaches, restaurants, shopping and downtown Charleston.
