Or you can head over to the dining room! Off the family room is a large sunroom which leads out to the fabulous back deck. Take in the views of the golf course, pond and all the wildlife that visits. Back inside, you'll find a bedroom, that could be used as a home office as well as a renovated half bath outside of it. On the other side of the house is the master suite. This room is a great size and offers awesome views. The master bathroom has had a total renovation and offers dual vanities, two walk in closets and an oversized shower.
