

Charleston Single with Duplex Option

New Price!

46 South Street

Charleston, SC 29403 ~ MLS# 18032250 ~ \$508,000

Located in the heart of downtown Charleston, this Charleston single style home features the traditional double, side porches & a gated entry to great off street parking. The kitchen has been beautifully renovated as well as the full bath on the first floor. The home is currently set up for a first floor master bedroom situation but could easily be used as a 2nd living room. The upstairs boasts 3 bedrooms, a sitting room, full bath & access to the balcony. The spaciousness of the outdoor living spaces offers amazing options to entertain & enjoy the outdoors. The backyard area is well maintained & has a shed for storage. Walk out the front door, turn left & you can see the Ravenel Bridge! With tons of historic charm & convenient location that is hard to beat, this home is a must see!

Additional features include:

Kitchen has granite counters, stainless steel appliances, staggered cabinets and hardwood tile flooring

Hardwood floors

New carpet upstairs and in master bedroom

Separate new laundry room
