Are you looking for a turn-key custom built home? This home was built in 2008 and looks like it has never been lived in. It boasts upgrades galore and the pride of ownership is apparent from the moment you enter the front door. You're greeted by a beautiful foyer with gleaming hardwoods that spread throughout most of the home. You can see the designer's eye and attention to detail as you walk through this bright and airy space. The interior of the home is full of highly sought after features such as custom trim and moldings throughout every room, dual downstairs master suites both connected to the large screened in porch, a gorgeous fully upgraded and very spacious kitchen with custom cabinetry, beautiful granite and a handcrafted breakfast bar. The 2nd floor Bonus room or Frog could be used as a play space, game room, media room, teen space or office. This home is sure to please the most demanding buyer! Various amenities are available throughout the community from Golf, Tennis, Equestrian Center and neighborhood pool to mention a few. It is a MUST SEE and an unbelievable value! Come take a look for yourself.
