~~This is Old Mount Pleasant at its best. A one story home in the middle of the Old Village with a back yard oasis that includes an in ground pool. Step outside the front door and you can be at the Pitt Street Bridge or Alahambra Hall looking over Charleston Harbor within minutes. Live within walking distance of some of the best schools,, and have your family bike to the Old Village Shops, Shem Creek, Sullivans Island, or Coleman Boulevard. Not only does this house have a magnificent pool and private back yard, but it also has an open floor plan with vaulted ceilings, hardwoods, and new interior paint throughout the inside and outside of the home. This is a must see, and a lifestyle for families and singles alike.
